Allen, Vlad,

Joyce and I wanted to thank you for a great job, and for completing the project on time and on budget as promised. The kitchen design was exactly what we were looking for, and the installation was top notch. Not only was the result outstanding, but you guys were right there to provide expert service when we had a special request to meet our needs. Great service and a great result.

Thanks for making it happen!

Best regards,
Frank and Joyce Lauria

Hi Adam,

Received the appliances this morning.

I called John Naomi after they left as one box is missing with the door shelves. They are not inside the fridge - the only other box I received was the handles and the bottom toe grill.

John will contact the trucker and see if they have left the box in the truck. A few of the cabinets are already in place and as soon as all of the cabinets are in place, I will let you know so we can schedule the measurements of the countertop. Everything has gone very smooth and I can recommend your service highly.

Thanks for making my decision so easy.

Best regards
Marie

Good morning Allen,

I hope everything is well with you.

Thank you so much for introducing me to Patty for my closet. She was nice and efficient, and took good care of my project.

Now I have the closet cabinets exactly how I wanted. It was really fun to work with Patty. And, her installer, Frank, was also very good.

I was very impressed that Direct Cabinet Sales has such talented people!

I'll be in Japan for a while, and when I come home I'll start to think about adding some cabinets in my kitchen. I'm sure I need your help, so I'll email you.

Thank you again, and enjoy this week's warmer weather!!

Regards,

Akiko
